

Mental Health Promotions COP

We at OCASI are trying our best to continue our work and stay connected during this time.

We will be continuing our learning, hosting discussions and sharing resources through SettleNet. You are invited to join the conversation at the Mental Health Promotion in Immigrant and Refugee Communities group on www.SettleNet.org - a new national online Community of Practice for the Settlement Sector where you can ask questions, engage in discussion, and search for resources that serve your professional development needs.
